

Drain Care Application

24/7™ Drain Dosing Station (D.D.S.)

Automated Drain Care Pump

- Easy to install, operate and service
- Fully customizable
- Easy-to-read illuminated display

The State 24/7 Drain Dosing Station is designed for drain and grease trap maintenance, but can also be used to alleviate common water treatment issues. Its compact, durable design allows the system to be used in both indoor and outdoor applications. Best of all, it is fully customizable, allowing up to 20 dosing events per day.
