

AIR CARE *Solutions*

Ecolution® **ODOR REMOVER** - Crisp Linen ODOR NEUTRALIZER CERTIFIED GREEN

- Environmentally preferred for its safer ingredients and low environmental impact; certified by EPA Safer Choice
- Super-concentrated; economical and cost effective
- Combats the toughest industrial odors with Crisp Linen fragrance and SE-500® odor-neutralizer

CARE FOR WORK ENVIRONMENTS®

Evolution® ODOR REMOVER - Crisp Linen

ODOR NEUTRALIZER CERTIFIED GREEN

ODOR REMOVING POWER

Evolution® Odor Remover-Crisp Linen contains the patented SE-500® odor neutralizing additive that removes even the most foul odors. This additive encapsulates odor-causing molecules and neutralizes them to effectively eliminate and remove malodors rather than just masking them; leaving behind a pleasant, Crisp Linen fragrance.

SUPER-CONCENTRATED AND ECONOMICAL

Evolution Odor Remover-Crisp Linen is super-concentrated for economy. Simply dilute with water and apply through a spray bottle or fogging system for a cost-effective odor remover. Compared to traditional ready-to-use deodorizers and masking agents, Evolution Odor Remover is extremely cost-effective.

ENVIRONMENTALLY PREFERRED

Evolution Odor Remover-Crisp Linen utilizes the latest technology in green chemistry. All of its ingredients have been screened by the U.S. EPA for their safety and environmental preferability. This concentrated formula is one of the first of its kind in the industry and offers safety, sustainability, but most importantly, performance.

DIRECTIONS FOR USE:

Evolution Odor Remover Crisp Linen can be diluted to meet your specific needs. The One Solution™ dispensers assure accurate dispensing for optimum cost control, product performance, and worker safety.

For General Odor Control: Dilute eight ounces (1:16) Evolution Odor Remover - Crisp Linen to one gallon of cold tap water. Apply through spray bottle or fogging system.

For Heavy Odors: Dilute up to 16 ounces (1:8) Evolution Odor Remover - Crisp Linen to one gallon of cold tap water. Apply through spray bottle or fogging system.

Use product in accordance with prescribed use dilutions displayed on product label. Dispose of unused product in accordance with Federal, State and Local regulations. Recycle empty containers.

NOTE: Before using on fabrics, carpets, or upholstery, test on inconspicuous area.

Please review label and SDS for all product directions, precautions and first aid information.

TECHNICAL DATA:

APPEARANCE: clear, light yellow liquid

MALODOR SUPPRESSANT PROPERTIES: contains a proprietary malodor counteractant

FRAGRANCE: Crisp Linen

STORAGE LIFE: 2 years

WEIGHT PER GALLON: 8.41

pH: 7.5 (at use dilution)
