- Bacteria-based formulation digests organics and includes added Citronella
- Easy-to-use formula with no mixing required

CARE FOR WORK ENVIRONMENTS®

STATE TRASH CHUTE AND DUMPSTER CLEANER

State® Trash Chute and Dumpster Cleaner is a concentrated trash dumpster and chute cleaner, which features our pleasant Morning Fresh fragrance and Citronella. This product features a special foaming attachment on top of the container that can be attached to a hose for quick and effective cleaning of any trash area. Product could be utilized in an alternative trash chute cleaning system without the foaming attachment.

DIRECTIONS FOR USE:

Remove the cap from the bottle, and then screw on the foaming sprayer attachment. Attach the water hose to the foaming attachment. Make sure all pieces are secure before turning on water. To spray, press the control lever to the ON position. Apply State Trash Chute and Dumpster Cleaner to the insides of trash chutes and dumpsters. Allow 5-10 minutes of dwell time. Agitate with brush if needed.

Review the label and SDS on stateindustrial.com for all product directions, precautions and first aid information.
